Subject: RE: FOIA to EPA concerning Willowbrook air monitoring

Thank you Lew. I have initiated document collection and will let you know when we receive the search results from OEI.

Thanks,

Tiffany

Subject: RE: FOIA to EPA concerning Willowbrook air monitoring

Mr. Weinstock,

Thank you for your follow up. We would like documents regarding both the Village of Willowbrook study being conducted with the assistance of GHD, and on the EPA led monitoring study.

Regards, Barbara Nihill

Subject: FOIA to EPA concerning Willowbrook air monitoring

Hello Barbara:

I'm following up on a request for information concerning monitoring activities in Willowbrook IL. I have a clarifying question regarding the request description – reprinted below:

“All documents relating to air monitoring performed in the vicinity of the Sterigenics facility in Willowbrook, Illinois, or in the Willowbrook community, by GHD Services Inc. or the Village of Willowbrook, including all communications from GHD Services, Inc or the Village; all data packages; all sampling plans; and all documents related to quality assurance / quality control.”

Is your request specific to the Village of Willowbrook study being conducted with the assistance of GHD, or are you also requesting information on the EPA led monitoring study? Your response will help us assess the breadth of your request.

Thanks in advance for your response.

Best regards, Lewis
